

Vault Classic Defender Price List

PRICE LIST 2024 -2025

TRANSCAL & VAULT CLASSIC PRICE LIST

Pricing & Terms Overview

4. **General Pricing Basis**

- **Standard Costings:** Prices are calculated based on standard project specifications.
- **Variance:** Costs may vary if requirements change away from standard project specifications.

2. Included Materials The quoted price includes the use of the following standard Transcal LTD materials:

- **Alston Technosuede** "https://transcal.com/wp-content/uploads/2025/08/Alston-Brochure-PDF-1_reduced.pdf"
- **Tweed, Fabric & Vinyl Collection.**
- **Automotive Leather Collections.** "https://transcal.com/leather-range"
    - Timeless Nappa
    - Essentials Nappa
    - Classic Grain

2. Item Classifications & Substrates

- **OEM Items:**
    - **Customer Supply:** Requires the OEM substrate (core part) to be provided by the customer.
    - **Condition:** All provided substrates must be in **good, usable condition** prior to work commencing.
- **VAULT Items:**
    - **Full Supply:** These items are fully supplied by Transcal; no substrate needs to be provided by the customer.

3. Additional Charges (Extras) The following design elements and changes are **charged separately**:

- CNC Perforation
- Large field embroidery techniques
- Laser Technologies
- Deboss / Large-Field Press Tooling & High Definition Debossing
- Fabric Silicone Printing
- Updated templates (designs outside the standard Transcal Catalogue)

4. Alternative Material Sourcing Policy

- **Client-Sourced Materials:** Alternative "directed sourced" leathers are accepted.
- **Conditions:** These may incur a surcharge and/or a quality disclaimer regarding the final finish or durability.
